Week 1: Cupcake Box

Using pinch pot and coil techniques we create the perfect cupcake box.

Week 2: Hanging Owl

WWhooo wouldn't want to hang this cute owl project up with your fall décor. Using clay slabs, texture and cutouts students put together their own idea of what an owl should look like.

Week 3: Pumpkin Pinch Pot

Decorate your tree your way! Using coils you can create a tree that is fit for any occasion.

Week 4: Soap Dish

This little dish is good for so many things, soap, candles, keys the list is endless. This creation has endless possibilities, using slabs, sprig molds and texture everyone creation is one of a kind.

Week 5: Make Your Own Clay Creation

Now they have the clay skills to create your own project. It's time to let your creativity flow. We will have samples on hand and ideas up our sleeves to get the creative juices flowing.
