

## **Brookside PTA Goals 2009-2010**

**Enrich Student Learning:** Support students, parents and teachers through programs and events that enhance the total learning environment.

**Promote Communication and Collaboration** between the families, students, school staff and the community. Be a relevant resource for families and communities.

**Build community** within Brookside through parenting support and increasing parent participation at school and within the PTA.

**Inform our membership** about legislative and other governmental issues affecting the care and education of children. Be a strong advocate for the education and well being of every child.

**Strengthen the infrastructure** of the Brookside PTA through mentorship, and successor structure to assure a seamless transition from year to year.
